You can put me at the primary.

The direct amount of \$13,255.10 is correct.

I, Thomas Mendez (OSC), certify the services and materials associated with FPN E18523 were authorized by me as removal costs and are proper for payment from the OSLTF. Further, the actions taken were consistent with the NCP.

Mr. Mendez and Mr. Kondreck,

I have you both listed as the OSC for this site, is this accurate? If not who will be the Primary OSC for this site so I might update our records. Thank you.

Please provide OSC Certification for the direct amount of \$13,255.10.

We need you to certify the direct cost in the attached cost summary, and at a minimum, need to have the following statement in an email. If you have any questions on this - please let us know.

"I certify the services and materials associated with FPN E18523 were authorized by me as removal costs and are proper for payment from the OSLTF. Further, the actions taken were consistent with the NCP."

Thank you for your assistance.
